# Football Socks

**\$9.50**

## Struddys Pro Football Socks

**60% Polyester 22% Nylon 18% Cotton**

All Struddys professional football socks have been developed with three unique systems to offer maximized comfort to the person using them.

**Contoured to aid fit.**

**Extra padding in the toe and heel give added cushioning.**

**\$12.50**

## Elite Compression Pro Football Socks

**60% Polyester 22% Nylon 18% Elastine**

Struddys Elite Compression Pro football socks are made to order and you can choose any design in up to four colours along with your Team name printed on the sock. We can match an existing design or come up with a design to suit playing garments.

The Elite Compression Pro football socks have been developed with the same three unique systems to offer maximized comfort to the person using them. Contoured to aid fit. Full wrap ventilation systems allow greater breath ability. Extra padding in the toe and heel give added cushioning. These along with the added compression component offers better circulation to the user.

Struddys Sublimation print and press onto 100% Polyester material.

Artwork is to be supplied in PDF or EPS format with all text converted to curves. Printed material is 1500mm wide and printed on a continuous roll to the length you require.

If required our graphic artists are on hand to assist in developing your design. Art fees are charged at \$50/hour.

As sublimation colours are unique to the CMYK variances of inks and printers we recommend using the CMYK colours below for best results.

## HEATSEAL

## COLOURS
